This right would apply to elections of public officers, adoption of initiated or referred measures, and elections to designate or authorize employee representation, such as elections concerning unions.</p> <p><input type="radio"/> Yes A vote "Yes" is for guaranteeing a right to vote by secret ballot.</p> <p><input type="radio"/> No A vote "No" is against the constitutional amendment.</p>		<p>Attorney General Explanation: The proposed initiated measure would change state law to legalize marijuana possession, use, distribution and cultivation by persons registered with the South Dakota Department of Health. These activities remain illegal under federal law.</p> <p>Registration to use, possess and cultivate marijuana would require a certification from a physician that the registrant has a debilitating medical condition and that the potential benefits of the marijuana use would likely outweigh the health risks. Minors may be registered with parental consent. The registrant may designate another person to cultivate, possess, and distribute marijuana for the registrant's use. The designee must register with the Department and may provide only a limited amount of marijuana for a maximum of five registrants.</p> <p>Schools, employers and landlords may not refuse to enroll, employ, or lease based upon marijuana registration unless required by federal law. The proposed law does not require that a registrant be allowed to use marijuana in a workplace or on property owned by another.</p>

The cement plant trust fund holds the proceeds from the sale of the state cement plant to benefit South Dakota citizens. The proposed amendment reduces the current \$12 million mandatory annual transfer to \$8 million over a four year period. Thereafter, the mandatory transfer is eliminated and the Legislature may transfer up to four percent of the trust fund to the State's general fund as long as the transfers do not cause the trust fund to fall below its original principal amount.</p> <p>The amendment also eliminates a distribution from the trust fund to support education.</p> <p><input type="radio"/> Yes A vote "Yes" is for changing the annual distributions from the cement plant trust fund.</p> <p><input type="radio"/> No A vote "No" is against the constitutional amendment.</p>		<p><input type="radio"/> Yes A vote "Yes" is for legalizing marijuana for registrants and designees.</p> <p><input type="radio"/> No A vote "No" is against the proposed law.</p>
